SITE 1 LOCATION

A photograph of two women sitting on a highly reflective, metallic surface. They are both wearing dark clothing and blue sneakers, and are holding open red umbrellas. The surface they are sitting on is so reflective that it creates a clear mirror image of them and the umbrellas. In the background, a city street is visible with several cars, including a yellow taxi, and a dense line of green trees. The overall scene is brightly lit, suggesting a sunny day.

**PERSPECTIVE
VERTICAL SPACE**

A photograph of a red umbrella on the right side, partially open, with its ribs visible. To the left of the umbrella is a dense cluster of bright green leaves, likely from a tree or large shrub. The scene is brightly lit, suggesting daylight. The text 'HUMAN SCALE?' is superimposed over the middle of the image, between the foliage and the umbrella.

BOUNDARY

The image is a composite of two photographs. The top half shows a bright blue sky with scattered white clouds and a calm body of water reflecting the sky. The bottom half shows a similar sky but with a darker, more dramatic lighting. Four white poles are visible, extending from the bottom edge towards the center. The text "CONNECTION SEPERATION" is centered in the middle of the image, between the two sky sections.
